3 Special provisions

Art. 2 Description

RALLY van STADEN is a type A rally and is driven over 214 km. Of which 138 km is a special stage and 76 km is a connecting road. There are 4 laps. The 3 special stages are 100% paved.

Art. 4 Registration

The application for participation must be FULLY completed and signed only via the online registration form or via inschrijvingen@amcstaden.be

A maximum of 110 participating teams will be admitted. Priority will be given to participants who have registered in advance and after payment. When the maximum of 110 participants is reached, registration will be closed early.

Registration is only final after payment of the mileage allowance, i.e. the registration form has been fully completed and the mileage allowance has been paid.

The list of participants is drawn up on the basis of registration date and payment date. If the number of participants has not been reached, registration on the day of the competition is still possible on condition that a supplement of 20% on the registration fee is paid.

(Cf. VAS Rally-sport regulations 2025 page 210 registration fees)

Art.5 Registration fee / Start permit / Insurance

Start permit

The official on duty will deliver the start permit to each team after the insurance premium and the contribution to the operating costs of the federation (VAS vzw) have been settled. The start permit for the competition is € 305.00.

This amount can be paid in cash in the exact amount or via a payment terminal at the document check to the appointed official. For the collection of the insurance premium, the official on duty acts as an agent of the insurance company via the insurance broker. For the collection of contributions to VAS vzw, the official on duty acts as an agent of the federation.

Insurance

Insurance company AXA Belgium nv – policy number: 700558685

Art. 8 Allowed drivers / co-drivers

The RALLY of STADEN has the status "Open Competition". Consequently, foreigners (EU member state or equivalent) can participate in the RALLY of STADEN with their license from their own country. Belgians can also participate with their national license. The following licenses are accepted to be able to start in the RALLY of STADEN:

- Regional VAS license 2025
- Regional ASAF license 2025
- Belgian national rally license 2025
- Foreign rally license 2025 (EU member state or equivalent)

(Co-)drivers with a RACB license must pay a VAS administrative fee of €65.

Art. 16 Recce

Recce carried out outside the permitted day and time was classified in the traffic regulations under the category of "serious offences" when the new traffic law was introduced.

Recce is only permitted on Saturday 09/08/2025 from 1 p.m. to 7 p.m.

Attention! We would like to point out to drivers the penalty for recce !!!!!!

If recce is established outside the permitted day and time, the government (Mayor and police) will immediately request a refusal to take off with confiscation of the registration fee. No explanation will be accepted for an offence.

Art. 17 Timing / Office noticeboard

Times, intermediate scores, official results and competition decisions are announced via the

Art. 19 Control booklet

It is permitted to clock in too early at the "TK Car park IN"

Art. 22 Service park / Repairs

The Service Park is accessible from 09:00 on Saturday 09/08/2025. Registration for the Service Park is only possible at the TK Service in, in the Kappelleriestraat, accessible via the Ieperstraat, Hospitaalstraat. There, the participant arrives at the waiting zone where the service place is assigned.

Mobile homes and caravans are not allowed on the service park.

The organization will assign the participants a place here.

It is strictly forbidden to mark out service zones before Saturday 9 August 2025 at 09:00. The organization will monitor this and reserves the right to remove the zone at the expense of the participant.

In the service zone, there is room for each participating team for a rally car and 1 service car equipped with a service sticker.

This sticker must be visibly affixed to the service car.

Any car that is not provided with a sticker is not allowed in/or park in the service zone.

If a request is made to remove this car from the service zone and this is not complied with, the team in question will be removed from the competition.

Teams with multiple participating vehicles, please contact the organization first up to and including Sunday 03/08/2025 at servicepark@amcstaden.be.

After this, the organization will assign a place.

The use of a groundsheet is mandatory.

The use of barbecues with open fire is prohibited in the service park.

Respect the residents, their homes and gardens. Deposit all your waste in the waste containers provided there.

Take all waste back home after the competition and clean up your zones.

All residents of the street can immediately report irregularities to the organization.

Failure to comply with one of the above guidelines may result in the offender (the driver is responsible for his service crew) being immediately removed from the competition.

The trailers must be parked in the designated place (Oude Gemeenteschool, Staden) and may not be left behind in the service zone or on the public road.

The service zone must remain completely free for through traffic on one side of the road, and there is also a speed limit of max. 20 km/h.

Art. 24 Refuelling and procedures

Given the regulations on fire safety, it is mandatory to refuel at Esso, Servicepunt Sleihage, Diksmuidesteeweg 98, Hooglede. The possibility to refuel (with bancontact is provided on the road to KP Westrozebeke after the 2nd special stage). The police, fire team and the organisers will keep a close eye on things.

Refuelling of your own competition petrol must be done at Vemeco, Diksmuidesteeweg 35, Hooglede, in the designated zone and under strict conditions. In order to ensure that refuelling for your own competition petrol is safe and smooth for the participants, the following rules apply.

Only 2 teams will be allowed in the demarcated refuelling zone at the same time.

Within the refuelling zone, only activities that are directly related to refuelling may be carried out on the car. A speed limit of 5 km/h per hour applies within the refuelling zone.

The team is fully responsible for refuelling. It is recommended that technicians wear flame-resistant clothing while refueling. If not, they should wear clothing that provides adequate protection against flames, including at least long trousers, a long-sleeved top and closed shoes.

The engine must be switched off during refuelling.

It is recommended that the drivers do not sit in the car during refuelling, if this is the case, the driver and co-driver must have their seat belts loosened.

[More information on www.amcstaden.be](http://www.amcstaden.be)

Only to assist with refuelling, 2 members of the service team may enter the refuelling zone.

(In accordance with the VAS Regulations 2025 sports regulations art.24 page 65).

In the refuelling zone, the organiser and the fire brigade will monitor compliance with the procedure. If these are not followed, necessary sanctions will be taken.

IT IS STRICTLY FORBIDDEN TO REMAIN STANDING AND WAITING IN THE REFUELLING ZONE AFTER REFUELLING!!!

Art. 26 Alcohol control

Every person (driver, co-driver) who participates in a competition organized under the responsibility of the Flemish Motorsport Federation, can be subject to alcohol controls before and/or during the competition. These are carried out by a judge of fact who is mandated by the VAS for this purpose. The sports federation applies a zero tolerance (0.00 sports regulations chapter 4 general regulations art. 2 point 6. This means that the alcohol content must be 0.00 per mille. If the first test is positive, a second test is carried out with the "pipe" so that the correct quantity is known. In the event of a positive result (driver and/or co-driver), the team will be immediately excluded from the competition. Breathing apparatus used: ALCO-Sensor-FST serial number 0071333 and 071328, with a valid calibration certificate, issued by the Belgian measuring institute.

Art. 28 Final inspection

Any final inspection will be carried out at Carrosserie Hoirelbeke, Grote Veldstraat 70, 8840 Staden, Tel 051/70 14 49.

Art. 29 Results / Prizes and cups

The prize-giving will take place on Sunday 10/08/2025 according to the timing in the competition centre, Zaal Blommenhof, Guido Gezelleplein, Staden. The prizes in kind will be awarded according to the general ranking. There are cups for:

- 1st, 2nd, 3rd, general to driver and co-driver (division 1-2, division 3, division 4 and division 5)
- 1st of each class to driver and co-driver
- 1st lady, 1st racing team, 1st AMCS member and 1st Stadenaar
- 1st, 2nd, 3rd, general to driver and co-driver Modern & Historical (foreign participant)

Art. 31 Additional provisions

If a car leaves the track on the special stage, the KP responsible, in consultation with the race management, via the radio control center, decides when the car will be towed. Although the towing will be done with the utmost care, the organizer cannot be held responsible for any damage resulting from the towing work.

In order to guarantee optimum safety, any vehicle that is helped back onto the track after a departure (with or without damage) due to the actions of any other vehicle (including those deployed by the organization) will be immediately taken out of the race.

After a departure with damage, the participants must present their car for inspection to the technical commissioners before the start of the next round, at the entrance to the "Regroup IN" car park.

Art. 32 Varia.

These private regulations are based on the VAS sports regulations rally/rallysprint. For the complete sports and technical regulations rally: see VAS sports regulations and the official announcements 2025 on www.vas.be

Tracking system

Rally van Staden 2025

Regulations (ENGLISH)

STADEN-ZARREN - HOOGLEDE – WESTROZEBEKE

[More information on www.amcstaden.be](http://www.amcstaden.be)

This year, each participant will be provided with a tracking system in the car.

The tracking system will be installed on Sunday morning, August 10, just before the passage at service OUT.

Please be present at the TC five minutes before the ideal time so that the installation can be done smoothly.

Each participant will be asked to sign for receipt.

The tracker will be retrieved from the car by the organization on the final podium.

In the event of mechanical failure or abandonment or in the event of an accident/resignation, the tracker must be returned to the rally office by someone from the team.

Trackers that are not returned will be charged by the organization at the expense of the team in question.

Guidelines Governor

Given the real fire risks in the service park, each individual service area must be equipped with a fire extinguisher of at least 6 kilograms (this concerns at least a powder extinguisher ABC of at least 6 kilograms according to the EN3-7 standard). This means that, PER PARTICIPATING CAR, an approved fire extinguisher must be available at the designated service area.

A clear pictogram must be present at the service area where the fire extinguisher is located.

If the inspection shows that there is no standardized, valid and approved fire extinguisher available PER PARTICIPATING CAR for a service area, the organization will exclude the driver in question from further participation in the competition.

Additional regulations

- ° Passage in built-up areas: Max. permitted speed (check by the federal police!) ZONE 30 (KM/H)
- ° Participants who are flashed on the connecting roads will be immediately taken out of the race.
- ° Each recce ride must be done at a moderate speed!
- ° Mandatory advertising imposed by the organization: see addendum

Approval of Regulations

Special Competition Regulations approved on 16.05.2025 under number B.W.2025.027.1605 by Jos Goessens for the VAS Sports Commission. Number of pages: 8.

Rally van Staden

9 & 10 august 2025

I, the undersigned, hereby declare on behalf of myself, my beneficiaries, my heirs, my relatives (parents, partner, children, etc.) and our insurer that I waive any recourse against:

- The organizers of the competition.
- The other participants, drivers, and co-drivers.
- The participants or owners or holders of the participating cars.
- The appointed volunteers, voluntary helpers and persons or organizers with a task mentioned in the points mentioned above.
- The insurers of the persons or organizers mentioned in the points mentioned above.

For any damage that I might suffer during the competition and / or training or reconnaissance organized under the authority of the organizers and the VAS in which I would participate. This waiver of recourse also includes the commitment that in the event of death I will make a strong case for my beneficiaries, my heirs, my relatives, my employer(s) and our insurers.

I declare that I have taken note of the regulations concerning the organized competition and I undertake to comply with them. I, the undersigned, declare that I am participating in the competition on my own initiative.
